

GWENT

— THE —
LEGENDARY CARD GAME

AT TABLETOP SCOTLAND

Format

The format will be a single elimination bracket tournament. 16 players will be split into two pods of 8 people and will face each other, best of three, in full games of Gwent. The winner will progress and will compete against other winners in the pod till we have a victor and then the winners of each pod will form a top cut and will face each other in a final.

The round time is 50 minutes for the full round, the final will have no time limit.

Decks

The decks will be pre-made with the decklists below. At the beginning of the game, players will flip the coin and the winner will decide which deck they wish to play. During the round, if a player loses a match they can opt to swap decks with their opponent.

Mulligan Rule

Players may decide to mulligan up to two cards as stated by the core rules or mulligan their entire hand, shuffling all of their cards back into the deck and drawing a new hand they must keep.
