**4<sup>TH</sup> TO 6<sup>TH</sup> SEPTEMBER 2026**  
**ROYAL HIGHLAND CENTRE**

## EXHIBITOR PACK

**[WWW.TABLETOPSCOTLAND.CO.UK](http://WWW.TABLETOPSCOTLAND.CO.UK)**  
**AT THE HEART OF GAMING IN SCOTLAND**

**Tabletop Scotland** is the largest tabletop gaming event in Scotland, and one of the largest in the UK.

Held annually at the Royal Highland Centre, next to Edinburgh Airport, the event attracts attendees from across Scotland, the wider UK and beyond.

Our 2025 event saw our unique attendance grow 9%, and turnstile attendance by 6%.

Our exhibitor count also increased to have over 130 companies represented.

For our 2026 event, we are expecting similar levels of growth for unique attendees, with turnstile growing closer to 10% as a result of some of our plans.

## Why should I exhibit?

For the majority of our attendees, Tabletop Scotland is the only convention they attend. This may be the first time they engage with you and your products.

## When is it?

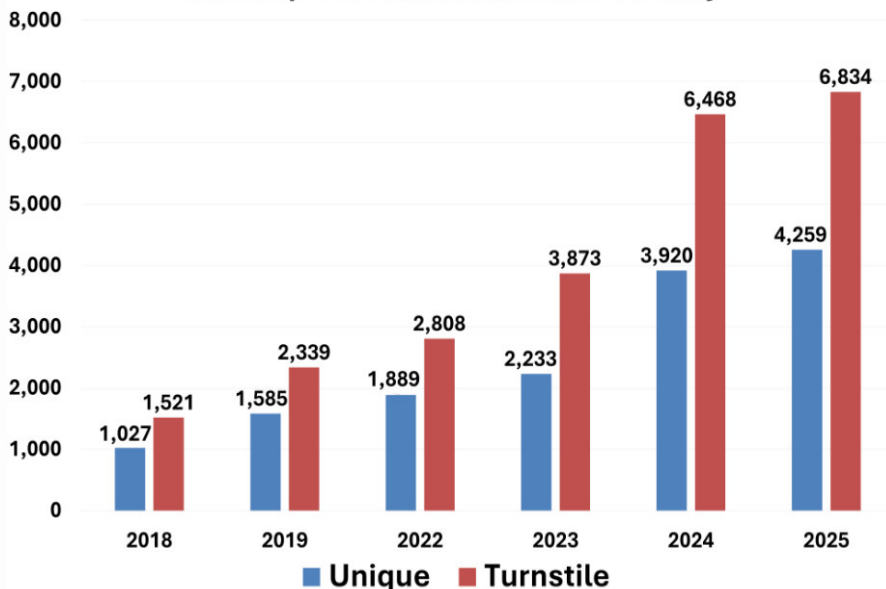

The next Tabletop Scotland is being held from Friday the 4<sup>th</sup> to Sunday the 6<sup>th</sup> September 2026.

## Where is it held?

Tabletop Scotland is held in the Highland Hall, Royal Highland Centre, Edinburgh, EN28 8NB.

This will be our third year at the venue.

**Tabletop Scotland Attendance History**

## Venue Details

The Highland Hall is largest indoor space within the Royal Highland Centre Campus which is 'next door' to Edinburgh Airport.

The location benefits from the excellent transport links to and from the airport, has 5,000+ dedicated parking spaces onsite for the convention, and there are multiple hotels nearby with many more within a 20 minute drive from the venue.

Edinburgh Airport is approximately 20 minutes walk from the venue.

The main hall of the Highland Hall is 140m long and 61m wide, which provides 8,500sqm of space to work with.

Since the beginning Tabletop Scotland has taken a “gift shop before access” approach to our floorplan, with attendees encountering exhibitors before anything else in the hall.

A 4m wide corridor runs the full length of the hall to the rear to ensure accessibility at all times.

## Main Hall Layout

Aisles between exhibitor sections are 3m wide, and the floorplan is designed to encourage movement throughout all areas.

Beyond the exhibitor area the main hall contains:

**Open Play Areas:** Over 2,250 seats for playing games. All play spaces are physically accessible.

**Event Zones:** Events for board, card, miniature, and social games all three days of the convention.

**Board Game Library:** Our games library has > 400 games to borrow and play over the three days.

**Hobbycraft:** Miniature painting tutorials hosted by industry pros and 'paint & take' area with attendees painting minis.

**Playtest Zone & Game Jam:** Designers take part in a Game Jam and use one of our Playtest slots to get attendee feedback.

**Gateway Zone:** With more people getting into board games every year, our Gateway Zone demos games chosen by the convention to help them explore the hobby.

**Demo Zone:** Designed for creators looking for a space to demonstrate games which are not yet published. Spaces are limited, find out more later in the pack.

**Guest Zone:** As with last year, we will have a number of guests at the convention and this area is for them to interact with fans of them and their games.

**In-Hall Catering:** There will be a coffee truck and a 'light bites' food truck in the hall.

**Bring & Buy:** The 2025 Bring & Buy processed over £45,000 of sales, with all profits going to our charity partner. As a cash only service, sellers recycle this through our exhibitor's stands.

Tabletop Scotland also utilises the first floor which hosts:

Roleplaying Games: The UK's second largest roleplaying schedule, with 30 tables over 7 sessions throughout the convention. Only UK Games Expo hosts more RPG sessions.

This includes the largest schedule of Dungeons & Dragons at any UK convention, with the majority of sessions overall being games for other systems.

Blood on the Clocktower: Sessions of this hugely popular social game throughout the three days of the convention.

Since 2018, Tabletop Scotland has supported multiple Scottish charities raising over £35,000 for them, and 2026 is no different.

Our 2026 charity partner is still to be announced.

We raise funds for them by:

- Donate percentage of money raised at the Bring & Buy.
- Hosting a Charity Raffle / Prize Draw at their stand. Exhibitors can donate prizes to help us raise money for our charity.
- Direct donations via JustGiving and at the convention itself.

In 2025 our charity partner was Waverley Care - <https://www.waverleycare.org/> - Scotland's HIV and Hepatitis C charity. Thanks to support of exhibitors and attendees we raised an amazing £11,000 for them.

## Demo Stand or Exhibitor Stand?

If your primary reason for being at Tabletop Scotland is to demonstrate a game or games which are not yet published, and one table is all you need to do that, then a Demo Stand might be for you.

Spaces are limited.

If you need more than what the Demo Stand provides then an Exhibitor Stand should meet your needs.

## Demo Stand

A demo stand at Tabletop Scotland includes the following:

- One x 6ft trestle table
- Five x chairs
- Two Exhibitor Passes
- Cost is £150 + VAT

### Limitations:

- Exhibitor Parking area not available
- Sales are not permitted
- Power cannot be supplied
- One Pop Up Banner or similar (max width 1m x max height 2m) is permitted
- Must attend all three days.

All Terms & Conditions for Exhibitors apply to Demo Stands also.

All demo stands will be along the North Wall of the main hall.

## Exhibitor Stand

Steps to working out your exhibitor stand at Tabletop Scotland.

1. Do you want to be on Broadway?
2. How big do you want your stand to be?
3. What furniture do you want?
4. Do you need power?
5. Want to be a Sponsor?
6. Want an Advert in the programme?
7. Do you need parking?
8. Apply for your stand.

### 1. Broadway

Through the centre of the hall is a 4m wide corridor which runs the full length of the hall. Stands connected to this corridor (aka Broadway) are on a first come, first served basis, and incur a 15% premium on the cost of your stand.

Broadway Stands are charged at £46 per sqm plus VAT.

### 2. Stand Size

Stands have a minimum size of 2m x 2m and are charged at £40 per square metre (sqm), plus VAT.

Stands are available in increments of 2m with a maximum depth of 4m and maximum length of 10m.

Exceptions can be made for stands on Broadway and for Sponsors.

**3. Furniture:** Stands are 'empty' until populated with furniture. Exhibitors are welcome to bring their own furniture if preferred.

Pop-up banners and other similar items can be used to differentiate your stand from other exhibitors, so long as these are wholly within your space and less than 3m tall.

The following furniture is available from our suppliers:

- Folding Chair - £6 + VAT
- 4ft Trestle Table - £6 + VAT
- 6ft Trestle Table - £10 + VAT

Other furniture options may be available via our supplier, contact us to give you a quote.

**4. Power:** Power at the Royal Highland Centre is provided via a cable drop from the ceiling. A maximum of one extension lead with four additional sockets can be added to each cable drop. These extension leads are not provided by Tabletop Scotland or the venue.

Before ordering power, you should be really sure that you need it. Power is expensive, so if your need for power is **limited to charging a phone, a card reader or anything else that can use a battery pack for power**, then we'd recommend against ordering power.

Power is charged at £250 + VAT per socket.

## 5. Sponsorship Options

We have two tiers of sponsorship for the convention. The costs and benefits of each are outlined below.

### Premier Sponsor

**Cost:** £500 + VAT

#### Benefits:

- Logo on front page of website
- Logo on front of convention programme
- Logo on all print advertising
- First Priority listing within Exhibitor List on website
- Full A5 Portrait advert within convention programme

### Associate Sponsor

**Cost:** £300 + VAT

#### Benefits:

- Logo on all print advertising
- Second Priority listing within Exhibitor List on website
- Half A5 Landscape advert within convention programme

We also offer sponsorship of areas of the convention at £200 + VAT. Sponsoring one of these means you will be listed as the sponsor on that section of the website and in our print programme.

The following areas can be sponsored: Bring & Buy, Games Library, Gateway Zone, Hobbycraft, Playtest Zone & Game Jam, and Roleplaying Games

## 6. Advertising Options

We printed 2,500 of our A5 programmes in 2025 and all of these were collected by attendees.

You can view the PDF of our 2025 Programme here: [2025 Programme](#)

Our plan for 2026 is to increase this to at least 3,000 programmes.

The programme gives attendees a permanent memory of being at the convention, and by advertising in it your business is visible to them both during and after the convention.

If you are a Sponsor then you get an advert as part of your sponsorship package. If you wish to upgrade your advert to a difference size, then we will charge the difference between the two sizes.

Advertising in the programme comes in the following forms:

### Advert Types:

Inside Front Cover: £275 + VAT

Inside Back Cover: £275 + VAT

Back Cover: £325 + VAT

Full Interior Page: £200 + VAT

Half Page Across: £125 + VAT

Half Page Vertical: £125 + VAT

Quarter Page: £75 + VAT

Artwork specifications and deadlines will be confirmed in your invoice.

## 7. Exhibitor Parking

The venue provides a 'hard standing' area within the secure perimeter of the Highland Hall for us to have parking available for everything that is needed to host the convention.

This includes exhibitors, but also includes catering company and a few other vehicles.

Parking is limited to one vehicle per exhibitor, unless capacity allows us to accept more, and is on a first come first served basis due to capacity limits for ingress and egress of emergency vehicles.

If you need parking, you can request it via the application form.

## What happens next?

Since the beginning we have curated the list of exhibitors at Tabletop Scotland to ensure that there is sufficient diversity in products and services available to our attendees.

Whilst we aim to process applications as they come in, this curation adds a delay to the process as we try to ensure that diversity is there when it comes to the floorplan and ultimately our attendee experience. This also benefits our exhibitors, as it reduces the likelihood of multiple exhibitors selling the same or very similar products and services.

**Application Prioritisation:** As the convention is first and foremost a board game and roleplaying game convention we will prioritise applications from exhibitors who are designers and publishers of games over all other types of exhibitor.

We all love every aspect of the tabletop gaming ecosystem, but our priority is for attendees to engage with games that may be new to them from designers and publishers, and vice versa.

To facilitate this we operate a Waiting List when we receive applications from multiple exhibitors who have the same or very similar products. Whilst we aim for that to take no longer than 60 days from point of application to a decision we know that this sometimes takes longer.

If your circumstances change and

you can no longer exhibit, please let us know.

Before you apply, please ensure you have read and understood the Terms & Conditions in this pack. We have had to remind exhibitors about specific clauses in recent years and these are highlighted below.

**Generative AI:** We do not permit the use of Generative AI by exhibitor's at the convention.

This includes selling products where Generative AI has been used to create artwork, written works, or other content.

### Clause 22.7

**Raffles & Prize Draws:** These are governed by the [Gambling Commission](#), and must be approved, in writing, by Tabletop Scotland before you can advertise and operate them.

**Treasure Hunts:** We love treasure hunts, but as with raffles and prize draws we have to ensure that these are being conducted appropriately at the convention.

So, if you're planning to organise a treasure hunt along with other exhibitors, let us know before you plan it fully and definitely before you announce it.

Alongside the above here are some general FAQs that we have:
